FOREWORD

The much-publicised W.A.N.F.L.'s venture into Sunday football last weekend looks to have been something of a non-event.

The immediate effects of the West Perth — Claremont game did no damage to the South Suburban Murray League and as the chances of the games becoming a regular fixture are remote, the long term effects look to be non-existent.

League officials checked the reaction to the game closely but officials from all home clubs reported that attendances were at least the equal of the previous Sunday.

And it's no secret that W.A.N.F.L. officials were far more dissatisfied with their fixture than newspaper reports have suggested. They were quietly confident of a crowd in excess of 20,000. They received 8,000 shocks to their system.

Mother's Day was the excuse offered but it's hardly acceptable when the same event didn't affect the attendances at regular Sunday fixtures.

Claims that their next Sunday game on June 13 will be a more accurate guide, are also misleading. It will be the only W.A.N.F.L. club game played that weekend, which alone should ensure a satisfactory crowd.

And as the two teams involved (Claremont and East Perth) are both north of the river clubs, attendances at our games are again unlikely to be affected.

Sources close to the W.A.N.F.L. stated this week that the idea was a "flop". This coupled with the adverse reaction amongst W.A.N.F.L. players to Sunday football, suggests that the move will almost certainly be aborted.

Our officials are no doubt relieved but they won't sleep peacefully until the threat has been removed completely.

TODAY'S GAMES:

Today's main bout will be fought at the GOSNELLS OVAL between two of the competition's form teams Gosnells and Mandurah. The homeside are now a clear-out second on the ladder and they've recaptured last season's final round brilliance Mandurah also continue to improve and they lost nothing in defeat last week. However, they're yet to prove their worth against a top team away from home and they maybe found wanting when confronted with Gosnell's pace this afternoon.

Canning's quest for their third consecutive win puts them in today's main preliminary against Kelmscott at WYONG OVAL. Both sides have had trouble putting four quarters together but it's to Canning's advantage that their best football has been played in the second half and they could surprise in this one.

Kwinana's form has been disgracefully inconsistent and they'll have to be on their guard against Kalamunda at MEDINA OVAL. Kalamunda have yet to win a game but they kicked 21 goals last week which would have won most other games. However, Kwinana have an undisputed advantage in skill and should stay in the fight for the four.

Kenwick have also been somewhat erratic and Armadale will fully test them at MILLS PARK. Kenwick appear stronger on the ball which should create sufficient scoring opportunities for them to register premiership points.

Thornlie play Maddington at MADDINGTON OVAL and it's difficult to see the Lions threatening Maddington's supremacy while they're in their respective moods. Thornlie are still well short of last year's high standard and the Bulls look stronger.

THE SEASIDERS

Mandurah were defeated, but certainly not disgraced, last week, when they met the top side Maddington. After leading for almost all of the first half, Mandurah had the lead wrested from them by a vigorous Maddington side. A determined start to the last quarter was made by the Seaside but Maddington were too strong in closing and went on to win by 26 points.

The best players over the four quarters were Rusty Renfrey, Geoff Rees, who kicked seven goals at centre half forward, Paul Wooltorton, back in the side after an injury, and Trevor Hathaway, who battled in the ruck against great odds.

The Second's game was very disappointing last week. Enough said about that, so let's just hope for a much better effort today. Best players were had to find but Danny Hillen and Robbie Rundell tried for the full one hundred minutes.

Today's game against Gosnells is a crucial match for both teams. Mandurah must win to prove that they are worthy of being considered final four contenders. Best of luck to the boys today.

JAN

MIGHTY ROYALS

Both sides gained four points, but again it was not until the last half that realised the wins. The talent and football potential that is available yet our inability to take the advantage in the first half is creating unnecessary problems for both coaches. So let's get it all together and produce the type of football we and all the supporters know we can play for Four Quarters.

At half time in the League, Thornlie led by five goals and it could have been more if it had not been for some good back line play by John Hart and Gary Holbrook. However, to the credit of the players they came back in the third quarter and levelled the scores. This established a situation for an exciting finish and that's what the supporters got. Kicking against a slight breeze all players responded to Neil Dedmans fighting example. Players like Kim Lynch and Ray Winduss, who had been playing well in the first half, exploded into action and created many opportunities. For Goal Front inaccuracy the winning Margin could have been greater.

The seconds first and last quarter was an improvement on the other two, but had it not been for a winning centre line, comprising of individual efforts from Darryl Paull and Nick Catalano and an attacking centre half-forward in Mike Strang the result could have been closer. Other worthy mentions must go to Neil Fry and Ken Staines, who gave the necessary 100% all day.

There are quite a few players who have yet to get a game or who are returning from injuries so everyone's position is unstable unless you can provide the goods — Don't forget it.

Today's games against Armadale are vital and an all round improvement is expected. Stay back afterwards and enjoy a good evening.

SOCIAL: Cabaret Friday 21st at Wandarrah Hall, Lynwood \$5.00 per head commences 8.00 p.m. Be there for a great night's entertainment — Don't forget those ball tickets — only 3 more weeks until the best night out you will have this year — also keep pushing those tipping cards.

THE KNIGHTS NOTES

Last Sunday's effort by the league side was one of the most disappointing for a long time. At half time we appeared to have a better than even chance. By three quarter time we had played ourselves out of the game. The fact that Canning kicked 16 goals to Kwinana's 3 speaks for itself. They also have 12 players who scored goals while we could manage only 5.

Players who performed well for the full four quarters were hard to find though none appeared to do better than Dave McGlade. Noel Vanheythuysen again kicked six goals (half our score) and it is hard to imagine our forward line without him. Frank Legena's first half was brilliant but he was worn down by the overwhelming physical strength of the opposition. Others to play well were Ron De Boer and Terry and Murray Lloyd.

The reserves performed much better and their win was most heartening. Their best players were Kevin Frazer, Tom Mannion, Warren Turnbull and Ron Roberts.

Today's game against Kalamunda is a most vital one, probably even more vital to our future than last year's 1st semi final. A loss would see our stocks sink to their lowest ebb in the past four years. Defeat is unthinkable so how about four points today players.

We would like to welcome Kalamunda to Kwinana and hope to see them join us after the game for our presentation of awards.

KING ARTHUR.

THE BULLDOGS

Spectators at John Dunn witnessed two exciting games of football and in the words of some there is only one League that plays Sunday Football.

The Reserves match proved to be an exciting curtain raiser with neither side gaining any sizeable advantage all day. The game lacked nothing in spectacle, with pressure being applied by both sides throughout the entire game. Congratulations to Gosnells on their finishing effort.

Best Players — Phil Farmer, Alex Stoma, Ian Clark.

The League encounter saw Kelmscott fail to play out 100 minutes of football, and to try such a stunt against a side like Gosnells, the scoreboard tells the story. The time has come when each player must take a critical look at himself and assess whether he is giving full value. Make the selection committee work hard; but not for adverse reasons.

Ray Witt, Alex Creyk and Kim Turner turned in worthy games.

Tickets are on sale for the raffle, the prize being a Holden Kingswood and at \$20.00 a ticket, it can be your way of getting our licenced Premises under way.

Hope to see Kevin Sladecki back on deck shortly after his knee operation. Congratulations are extended to Neville Rose on his engagement.

TIGER TALES

Great result fellas — the annihilation of Kwinana last week was just the tonic our football club needed. Many of our old supporters, who are slowly drifting back to the club as our form improves, consider that over the last half of football against Kwinana was reminiscent of our top sides of yesteryear. It just goes to show what can be achieved when TEAM FOOTBALL, rather than individual efforts are produced on the field. That effort must be reproduced today if we are to defeat Kelmscott, who are considered premiership contenders at the moment. Victory will see us crashing our way into the top four, while defeat could mean our recent efforts go unrewarded.

social news; - May 28 is the date set for our first social of the season. This will be in the form of a Chicken and Champagne night at the Cannington Hotel (opposite the Dog Track). Tickets available from Social Secretary Terry Freeman.

The club extends congratulations to Neville Vellacott who was married yesterday. Neville will miss our next three games, however, and his dashing style of play will certainly be missed from the side.

The Archibald family just made it in time for Mother's Day and celebrated their first arrival, a healthy baby boy. We offer our congratulations and pray that he turns out a straighter kick than his old man.

As usual we look forward to enjoying the company of Kelmscott players and supporters at our after game social.

IN THE LIONS LAIR

Well we did it again — got beaten — however what a marked improvement on the previous week's efforts. Nevertheless, players, when you 6 in front at half time you should never lose the game — congratulations Kenwick, yours was a good fighting win. It was pleasing to see players placed in position where they have previously performed with distinction and also a lifting in attitude to the game. One comment "if you don't concede you must succeed". Well done Bruce Duplock, a tremendous effort you first game with the seniors — credit must go to your junior coach Geoff Winston — you were the only player to multiple shepherd — it proves you are schooled in the game. Best players were Fred Senior (great return to form — must continue to lead the way), Steve Whyte (this player contributes 100% every week — a setter of fine examples), Bruce Duplock (not beaten all day — one of two players who played for the full 100 minutes). Well done Trevor Sturk on playing as a forward should — having a go.

P.S. Have a peek at last week's statistics players. The Reserves failed to go on with it in the final quarter after having a big chance at lemons — is this a fitness factor? Remember players only YOU can do it. DON'T leave it to someone else. This week a big test for sure but certainly not insurmountable — so go to it and bring home another 4 points.

Players don't forget the players tea at the Thornlie hotel on Friday 21st May at 7.15 p.m. The format is — football discussion (all aspects — so air your views), players tea and also special invited guest speakers.

DEMONS DIGEST

'NOT FOR NIX - IN '76!'

Today, we travel to Kenwick, home of the "Royals".

At home last week the Demons capped off a highly successful week in more ways than one. Firstly, the social night at the Narrogin Inne, hosted by the publican — Cum Club Sponsor, Harry Vidulich, was a good get together for everyone. Secondly, the cabaret on Saturday 8th May in conjunction with the "Youth Sportsman of the Year Award" was a huge success. Congratulations to Charlie Tenardi, and Peter Smith on being nominated by the senior Club and Junior Club respectively our thanks go to all other clubs in the area for their patronage. Thirdly and most important both teams "came in from the cold" against Kalamunda. The Reserves, though losing by a few points, won a moral victory for themselves and their supporters, all players, including Newcomers Eddie Michalczyk and Mark Watson played well, but the top spot had to go to "Shorty" Knezevich for a hundred minute effort. Train harder, and in larger numbers fellas, and you'll get your points okay!

The League side came close to scoring 200 points which is probably their highest score in many a long year. This was confirmation of the side's undoubted ability, once they "Put it all together". It was good all round team work, and the ability to come back again, when the goals were going in the wrong end, to the Kougars credit they made the Demons work all the way, a highly underrated side. "Sneaky" Pete Gajda's performance epitomised the true Demon on the rampage, the Man-of-the-Match. All players deserve mentioning, but space prevents me. However, Colin Towers' first-up League performance must find space. Keep it up Col! The same goes for the rest of you fellas!

Armbands were worn at the match as a mark of respect to the young, late Peter Higgs who died earlier in the year in Singapore. Peter was a member of the 1975 Under 18's and Reserves team. Our sincere condolences to his family.

The Under 18's, at Kenwick last week, continued their winning streak with a massive win. Best Players were Russell Stevens, Peter O'Mara and Alan Smith. Keep those fires burning Demons!.

Robbie Van Leeuwen and his band of men, now running all social functions for the club, take a bow! "Rob's Army" have done everything quietly, unobtrusively, and with A1 efficiency. Keep on soldiering fellas, you're doing a great job.

To all our supporters that may not be sure when we're at home, just look for the banner across the "Narrogin Inne", You can't miss it!

PEEGEE

THE HAWKS

Another extremely good double victory was registered against Kelmscott last Sunday. Congratulations to both teams for gaining those well earned four points.

Our league victory was most significant in view of playing away and without some talented players who are presently on the injured list. Best players for the league were Kevin Smith, Norm Barrett and Errol Croft.

The reserves side once again played well particularly in the first half of the game and with the addition of five more players seem assured of continued success in future games.

Today we are hosts to Mandurah Football Club and if their recent form is any indication, we look like being assured of an exciting match.

Congratulations go to our Under 19's side who also recorded a good win against Kelmscott last Sunday. Keep the good work up fellas.

SPECIAL NOTES: Anyone wishing to join the supporters Club please get in touch with Keith Davies or Frank Sochacki for more details and membership.

KALAMUNDA

Congratulations Reserves on your victory which was well deserved. Every player contributed for the club and this is how it should be — play to the jumper and back your mates up like you did last week and we will look forward to more wins.

It is hard to imagine kicking 21 goals and losing by a large margin, however we have proved over the last three weeks that we have the scoring potential. Games are won on the knowhow of defence and attack, it is not a winning combination to apply one without the other, when we put these two components together we will without doubt win games.

Jeff Brown started the fire this week and with Ian Price gaining the ball added bike to our centre line play, Ken Smith and Gary Greer showed determination in centre line duels and their games were a credit to both the coaches. Mick Jones gave us an insight to his football ability with 5 goals. Welcome to Kalamunda Mick. Bruce Leaver showed the ability of playing for playing for his team three goals off his own boot, two placed kicks to Jeff Brown resulting in a further four goals to the club well done Bruce perhaps a few of your teammates can learn a little from your teamwork and play for the club.

Our Ball is on Friday June 4th, tickets are available now at \$15 per couple, the hall holds 200 so get in early with your dough and bookings, lets make it equal to the Balls of the past. Your support is needed for a good night. Our women folk work hard for this function so give notice that you support us by finalising your bookings next week.
